

THE GOLDEN TICKET!

**YOU! FISHING WITH FAMOUS MEN! - IN FRANCE!
AND GETTING BAIT FREE FOR A YEAR! ALL COURTESY OF:**

THE NEXT BEST THING...

Unless you're a billionaire or the world's smartest thief, you'll never own a bait company - with the bait factory they've got - like Sensas. It's a shame, but that's the way it is.

But fear not, because we've got the next best thing: going to the amazing Sensas factory over in France, fishing their lakes and then getting bait - free of charge of course - for the next year.

AWESOME!

For century's mad men have been trying to outdo Mr. Willy Wonka, but most have failed. However, now we think we've matched him.

Although we can't surprise you with Oompaloompa's, chocolate buttons and drink coco milk from a swimming pool, but we can offer you the chance to walk around one of the world's biggest bait manufacturers factory. There's more...

THE PRIZES

Like Charlie and his chums, there are 10 Golden Tickets to be won and each one placed at random in all the magazines we send out to the shops. If you've found a ticket inside this magazine, then straight off, "Well done, you've won an enormous goodie bag of all the new stuff coming out of Sensas' carp range." If you didn't, then read the last paragraph.

But out of those ten people who found tickets, one will win a prize sooo damn huge he/she will be screaming so bloody loudly the Noise Pollution officers will be around your house in no time.

WHAT YOU GET!

If you don't quite make the first prize, don't panic, you'll still get plenty of carp food delights. Inside your goodie bag you'll find: Long life and frozen boilie (all sizes), Pellets, Pop-ups, Paste, Method/Stik Mix, Dip, Boilie Crumb, T-Shirt and a Cap.

If you do win the main prize though, this is what you'll be laying your grubby hand on:

- Trip to Sensas factory for a grand tour in France.
- 48hrs fishing in France at Sensas' own venue.
- Food and bait supplied.
- Fishing with double World record holder, European Cup holder and World Champion Mitch Smith and his world champion partner John Dean and other international French Sensas champions.
- On top of this, bait supplied every month from Sensas for a year. That's 50kg of goodies a month!

DRAWING THE WINNER!

So how do we decide who gets the 1st prize out of the ten winners who managed get their dirty paws on one? Simple. We're gonna put all the tickets back into a hat and get some hot shot to pull one out. If your ticket comes out - you win!

This 'drawing of the winner' will take place at CarpFest over the weekend of 15-16th July at Cemex's Thorpe Lea Lake. For details on CarpFest go to page 129.
